ONTARIO SECURITIES COMMISSION REVIEW

Environmental Waste International Inc. (EWI) (TSX Venture / EWS) wishes to announce that it has received notification from the Ontario Securities Commission (OSC) that it has been selected for a full review of its continuous disclosure filings under the Continuous Disclosure Review Program established by the Commission. The Company has received a comment letter from the OSC as a part of the review process. The Company has been made aware that the Audit Report on its Financial Statements for the year ended December 31, 2003 was signed, on April 12, 2004, by an auditor who ceased to be qualified to provide such an Audit Report on March 30, 2004. This may require a refiling of those statements. The Company is in the process of installing a replacement Auditor and will work towards satisfying all concerns raised by the OSC as quickly as possible.

EWI has presently developed processors to treat medical waste and rubber tires and is presently working on designs for several other processors. Please visit Environmental Waste International Inc.'s home page on the Internet at: www.ewmc.com
