

Press Release: For Immediate Release

Resignation of Director

Ajax, Ontario, CANADA – (September 5, 2006) – Environmental Waste International (TSX-V: EWS) announced today that Mr. Keith Van Beek has resigned as a Director of the Corporation. Mr. Van Beek originally joined the board in 2004 to provide guidance from a sales and marketing perspective but believes that other board members now provide that function.

Mr. Van Beek stated that he has “total confidence in management” and believes “fully in the product, the opportunity and that indeed we are on the verge of a breakthrough”.

EWI’s board thanks Mr. Van Beek for his contributions to the company and wishes him continued success in his other ventures. The board has decided to not appoint a replacement at this time.

EWI provides processors for environmentally safe sterilization and disposal of medical, biological, liquid and food waste, and for the recovery of usable byproducts from rubber tires. EWI continues to work on further applications for its processors. Please visit EWI’s home page on the Internet at: www.ewmc.com.

WARNING: The Company relies upon litigation protection for “forward-looking” statements. The TSX Venture Exchange has not reviewed and does not accept responsibility for the adequacy or accuracy of this release.
